Job opportunity – Junior Sales Estimator

Le Roc Products is looking for an enthusiastic individual to join our sales team at Yatesbury near Calne. The Estimator will be responsible for undertaking accurate measuring and take-offs from technical drawings to enable our sales team to prepare accurate quotations.

This entry level position is ideal for someone looking to start a career in Sales and Estimating within the Construction Industry. You will need to be able to work independently and accurately, have good numeracy and IT skills and will have an eye for detail. Over time, the successful candidate will be able to progress into a sales role.

Full time contracted hours, paid holiday and company pension scheme.

Interested? Email your CV to sam.carroll@lerocproducts.co.uk.
