Job opportunity – Labourer (factory based)

Le Roc Products is looking for an enthusiastic individual to join our stair production team in our busy factory at Yatesbury near Calne. Working with others to clean and strip down stair moulds, fabricating steel reinforcement cages, assisting with the concrete pour and general labourer duties.

Full time contracted hours, plus opportunities for overtime, paid holiday and company pension scheme.

Interested? Email your CV to **dave.sett@lerocproducts.co.uk**.
